Read the following passage and answer the following questions:-

My name is Maya and I live in Mumbai with my grandparents, parents and my naughty younger brother. Our neighbours are the Naiks, who live in the penthouse. They have a pet, a friendly Beagle, named Oliver. Mr. Naik always takes Oliver for a walk in the morning and comes back with little goodies for my brother and me. Mrs. Naik is a great cook and whenever they cook anything the aroma floods our house and all of us keep dreaming what it is. Their children are married and live outside Mumbai.

One day, my mother was unwell and had to be hospitalised for a few days, my father was wandering how to manage food for us. The Naiks came home and told my parents not to worry and they will manage the kitchen. Everyday, they used to come to our home in the morning by 6:30 a.m. and make our breakfast and lunch, which was always something different and tasty. They used to cook dinner at their home and send it to us. My grandparents also love their cooking.

My father told me that time that it is a great virtue to help one another at times of need which I will always remember thanks to the Naiks.
