The Story of a Dream

A Commemorative Souvenir

Go forth and set the world on fire

The Dream Must Grow

Rev. Fr. John Ravi SJ
Manager

Fifteen years ago, a dream was entrusted to a small but determined community - a dream rooted in the Jesuit vision of education, inspired by faith, and sustained by the belief that education has the power to transform lives and society.

Today, as we celebrate the journey of St. Xavier's College Jaipur, we do so with immense gratitude and quiet pride. What began as a vision has grown into a vibrant institution known for academic excellence, value-based education, social commitment, and the holistic formation of young minds. Every classroom, every initiative, every achievement reflected in these pages stands as a testament to the dedication of countless individuals who have contributed to this remarkable journey.

Yet, anniversaries are not merely occasions for remembrance; they are invitations to renewal. They challenge us to ask not only how far we have come, but how far we are willing to go. The world of higher education is changing rapidly. New opportunities, new challenges, and new responsibilities call for institutions that are courageous in vision and innovative in action. As a Jesuit institution, we are called not simply to respond to change but to help shape it—to form leaders who combine competence with conscience, knowledge with compassion, and excellence with service.

The story of St. Xavier's College Jaipur is far from complete. The aspiration to emerge as a university is not merely a matter of institutional growth; it is a commitment to expanding our capacity to educate, innovate, research, and serve. It is the natural next step in a journey that has always been guided by the spirit of *Magis* - the pursuit of the greater good.

As we look towards the future, I invite every member of the Xavierian family - students, faculty, staff, alumni, parents, and well - wishers - to continue walking together in this shared mission. The foundations have been laid. The possibilities are immense. The dream that inspired our beginning must now inspire our future.

May we move forward with courage, wisdom, and hope, always striving to build an institution that not only excels in knowledge but also transforms lives and contributes meaningfully to society. The first fifteen years have shown us what is possible. The years ahead will determine how far that possibility can reach. Let us continue to dream boldly, work tirelessly, and serve generously, knowing that every great institution grows because it dares to reach beyond its present horizons.

"Ah, but a man's reach should exceed his grasp,
Or what's a heaven for?"
— Robert Browning

With gratitude and confidence in the future!

A Letter to the Future

Dr. (Fr.) Arokya Swamy SJ
Principal

"If you want to go fast, go alone. If you want to go far, go together."
— African Proverb

As we celebrate fifteen years of St. Xavier's College Jaipur, I am reminded that institutions are never built by individuals alone. They are shaped by communities—by people who share a vision, nurture a purpose, and work together towards a common good.

The story captured in these pages is, therefore, not merely the story of a college. It is the story of a collective journey. It is the story of founders who dreamt, educators who inspired, students who aspired, staff who served with dedication, alumni who carried our values into the wider world, and countless well-wishers whose faith and support strengthened our mission.

Over the past fifteen years, St. Xavier's College Jaipur has grown in many ways. We have expanded our academic horizons, strengthened our commitment to quality, embraced innovation, and created opportunities for learning, research, leadership, and service. Yet, amidst all these developments, our core purpose has remained unchanged: to form individuals who are intellectually competent, socially responsible, and committed to the service of others.

As a Jesuit institution, we believe that education is not merely the transmission of knowledge. It is the formation of character, the cultivation of compassion, and the preparation of young people to engage thoughtfully and responsibly with the world around them. Every classroom, every initiative, every achievement finds its meaning within this larger vision.

Looking back, we celebrate milestones with gratitude. Looking ahead, we embrace the future with hope. The journey towards becoming a university is not simply an institutional aspiration; it is a renewed commitment to serve society through deeper learning, wider opportunities, and greater excellence.

This souvenir, ***The Story of a Dream***, is a tribute to all who have been part of that journey. It reminds us that dreams become reality when nurtured by perseverance, guided by values, and sustained by a community working together. As we turn the pages of the past fifteen years, may we also find inspiration for the chapters yet to come. May we continue to learn together, grow together, and serve together.

With gratitude and best wishes!

Gathering the Threads

Dr. Atiqa Kelsy
Editor

"We shall not cease from exploration,
And the end of all our exploring
Will be to arrive where we started
And know the place for the first time."
— T. S. Eliot

When I first began working on this commemorative volume, I thought I was helping document the history of an institution. What I did not anticipate was that I would find myself immersed in a collection of stories—stories of vision and courage, of beginnings and transitions, of people who dared to believe in a dream and quietly worked to make it a reality.

As I sifted through reports, photographs, testimonials, and memories, I was reminded that institutions, like people, possess a life of their own. They grow, evolve, stumble, learn, and renew themselves. They are shaped not only by policies and plans but also by conversations in classrooms, friendships forged across years, moments of discovery, acts of service, and countless unseen gestures of dedication.

This souvenir is an attempt to gather those scattered threads and weave them into a single narrative. It is not a comprehensive record of every achievement, nor can it fully capture the lives touched and transformed over the past fifteen years. Rather, it is a reflection on a journey—a journey that began with a vision and continues to unfold with each passing year.

The title, ***The Story of a Dream***, seemed especially fitting. For every institution worthy of remembrance begins as an act of imagination. Long before there are buildings, accolades, or milestones, there exists a dream: a belief that education can illuminate minds, nurture character, and create a more just and compassionate world. The pages that follow tell the story of how that dream took root and flourished.

As an editor, I have had the privilege of revisiting familiar places and seeing them anew. In retracing the institution's journey, I have come to appreciate not only how far St. Xavier's College Jaipur has travelled, but also the values that continue to guide its path—excellence, service, integrity, and a commitment to the holistic formation of every learner.

This volume is dedicated to all those who have been part of that journey: founders and visionaries, faculty and staff, students and alumni, benefactors and well-wishers. Their stories, though varied, are united by a shared faith in the transformative power of education.

Fifteen years may be a milestone, but they are not the conclusion of the story. They are merely a chapter. The dream continues, and so does the journey. As you turn these pages, may you find not only memories of the past, but also reasons to hope for the future…

Giving Shape to Memories

Mr. Sushant Xavier Andrew
Designer

Design is often seen as arranging images, colours, and pages. But for me it is really about telling a story. Every photograph, every page, and every detail in this volume presents a moment in the journey of St. Xavier's College Jaipur. My idea was to bring fifteen years of memories, achievements, and aspirations come alive in a way that could be seen, felt, experienced, and relived.

As someone who believes that good design is both meaningful and honest, I wanted these pages to reflect the spirit of the institution—its energy, values, creativity, and sense of purpose. Every element was carefully chosen and arranged to ensure that the story of the institution remained at the centre of the design. I hope these pages help you revisit cherished memories, discover untold stories, and feel connected to a journey that is still unfolding.

What you hold in your hands is more than a souvenir. It is a visual record of a dream that continues to grow. It is a tribute to the people who shaped this institution and to the countless moments that have made it what it is today. You are holding a memory you have lived, may live or have seen grow in front of your eyes. This is dedicated to all those who have been a part of this journey and to all those who will come after….

Finally, designing this 15th-anniversary souvenir is a journey of reflecting on where we've been and where we are headed. As Gustave, in the famous game, Clair Obscur Expedition 33 so beautifully puts it, *"We don't just survive the night; we build the dawn."* This landmark issue is a celebration of that dawn, and a thank you to everyone who has helped us paint this bright future...

Prologue

1542

St. Francis Xavier arrived in Goa and intiated the Jesuits mission in the country.

1543

Established St. Paul's College in Goa.

1580

Jesuit scholars were invited to the Mughal court of Emperor Akbar to participate in interfaith theological dialogues at Fatehpur Sikri.

1729

Maharaja Sawai Jai Singh II invited Jesuit scholars to assist in establishing the astronomical observatory, Jantar Mantar in Jaipur.

1941

Jesuits returned to Jaipur at the invitation of the Bishop of Ajmer and Mirza Ismail, the then Prime Minister of Jaipur to run St. Mary's School.

1945

St. Mary's School renamed as St. Xavier’s School.

1950

Jaipur Xavier Educational Association (JXEA) is established.

1990

The founding of St. Xavier's High Schools in Behror and Bhiwadi.

2006

JXEA strengthened its commitment to inclusive education by establishing the Xavier Vocational Institute (XVI) in Jaipur.

2010

Under the visionary leadership of Rev. Fr. Varkey Perekkatt SJ, in collaboration with Xavier Alumni/ae and well-wishers of Jaipur, St. Xavier's College Jaipur (SXC-JPR) was founded.

Chapter - I

Foundation

Rooted in a Tradition

Within the Jesuit educational framework, education is viewed not merely as the transmission of knowledge but as the formation of the whole person (*Cura Personalis*). St. Xavier's College Jaipur embodies this philosophy by integrating academic excellence with ethical values, social responsibility, and spiritual sensitivity. The institution aligns itself with the Ignatian vision of *Ad Majorem Dei Gloriam* - working for the "*Greater Glory of God*" - and the spirit of *Magis* (more), which urges continuous striving for greater excellence and service.

Aligned with other eminent Jesuit institutions in India and across the world, St. Xavier's College Jaipur positions itself as a centre of transformative education - where academic pursuit is inseparable from character formation and social responsibility. Thus, the identity of St. Xavier's College Jaipur is defined by a harmonious integration of intellectual excellence, ethical integrity, inclusive education, and committed service - aimed at nation-building and the holistic upliftment of society.

The Compass that Guides Us

Cura Personalis

Fosters a deeply nurturing environment centered on genuine care for the unique talent, well-being, and holistic development of every individual person.

Magis

Inspires a restless striving for continuous moral and academic excellence, challenging every Xavierite to move beyond mediocrity and realize their fullest human potential.

Faith & Justice

Instills an empathetic commitment to social justice, urging students to utilize their education directly to uplift and serve marginalized communities.

Reflection & Discernment

Nurtures critical, conscientious decision-making skills, empowering future leaders to choose paths that promote the greater good and human harmony.

Service of Others

Jesuit education forms "*men and women for others*" - graduates committed to civic responsibility and serving the marginalized.

Chapter - II

Origins

The Birth of St. Xavier's College Jaipur (SXCJ)

Continuing this mission, in 2010, under the leadership of Rev. Fr. Varkey Perekkatt SJ, in collaboration with Xavier Alumni/ae and well-wishers of Jaipur, St. Xavier's College Jaipur (SXCJ) was founded. The college was affiliated to the University of Rajasthan and began its academic journey at the historic Hathroi Fort Road campus in Jaipur city.

At the heart of SXCJ lie its core values: competence, character, and compassion. The institution is deeply committed to inclusive education and reaches out to first-generation learners, transgender students, *divyangjans*, marginalized communities, and economically disadvantaged groups.

As it continues its journey, the college remains dedicated to forming responsible, ethical, and socially committed citizens who strive always for the Greater Glory of God.

The Sprit We Carry

The motto on the college crest : ***Competence, Character*** and ***Compassion*** encodes the core values sought by the college, and challenges Xavierites to realize personal integrity and excel in all the endeavours.

The ***Burning Lamp*** represents Lord Jesus Christ who said, *"I am the light of the world"* (*John 8:12*), and the Wisdom of God. True education leads one from the darkness of ignorance to the light of genuine knowledge and enlightenment.

The ***Open Book*** symbolizes the centuries old Jesuit tradition of quality education. IHS represents the first three letters of IHSOUS, meaning Jesus and is taken from the official seal of the Society of Jesus.

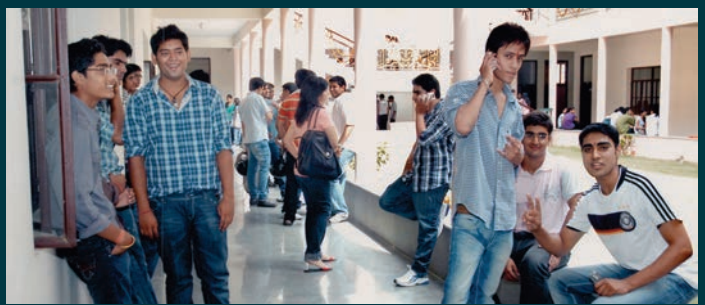

The ***Cross*** surmounting the H serves as a universal reminder of salvation, sacrifice, and selfless service of Jesus to humanity.

The national bird of India, ***the Peacock*** symbolizes beauty, grace, and cultural diversity, inspiring students to spread joy and aim for the higher meaning of life.

The First Flame @ HFR

St. Xavier's College Jaipur began its journey as a vibrant embodiment of the authentic Jesuit spirit, dedicated to academic excellence and the transformation of human society. Operating from the historic Hathroi Fort Road campus, the college rejected myopic approaches to pedagogy from its very inception. Instead, it pioneered a holistic formation model, nurturing a dynamic bond among learners and teachers through research initiatives, seminars, field visits, and a wide spectrum of co-curricular engagements.

From these modest beginnings with just ***five undergraduate programs*** and ***350 students***, this foundational era lit the spark of leadership, inclusivity, and character that would eventually ignite our horizon.

Chapter - III

Growth

Crossing the Threshold

The college undertook a strategic campus transition in 2021, relocating from the city to the Nevta-Mahapura Road campus. This shift aligned with the institution's long-term vision of holistic growth, sustainability, and community outreach. The move enabled expansion of academics, research, sports, and residential facilities, while strengthening rural engagement through outreach programs.

A larger green campus (25 acres) with cutting-edge infrastructure

ICT-enabled Classrooms, Labs, Digitalised Library

Stronger community connections through adopted villages and extension work

Broadening the Horizon

Establishment & Growth of Xavier Institute of Management & Informatics

The Xavier Institute of Management & Informatics (XIMI), Jaipur

Affiliated to the Rajasthan Technical University, Kota (RTU)
Established in 2022 with the launch of
AICTE-approved MBA and MCA programs.

The MBA offers dual specializations in IT Management, Business Analytics, Finance, Marketing, Operations & Supply Chain, and HR. These are paired with industry certifications in Digital Marketing, FinTech, Entrepreneurship, International Business, Investment & Trading, and Operations Management.

The MCA program contributes to the technological dimension of management education by building expertise in Full Stack Development, Artificial Intelligence and Machine Learning, Data Science, Cloud Computing, Cybersecurity, and Advanced Software Engineering.

Through its Campus Recruitment and Training Program (CRT)-featuring bootcamps, mock interviews, corporate mentoring, and live projects-XIMI integrates academic learning with professional readiness.

XIMI provides 100% placement and internship assistance to eligible students, building a strong reputation with top recruiters like Infosys, TCS, PwC, Lenovo, Celebal Technologies, and AU Small Finance Bank.

A Refection of Excellence

College Accreditation by NAAC

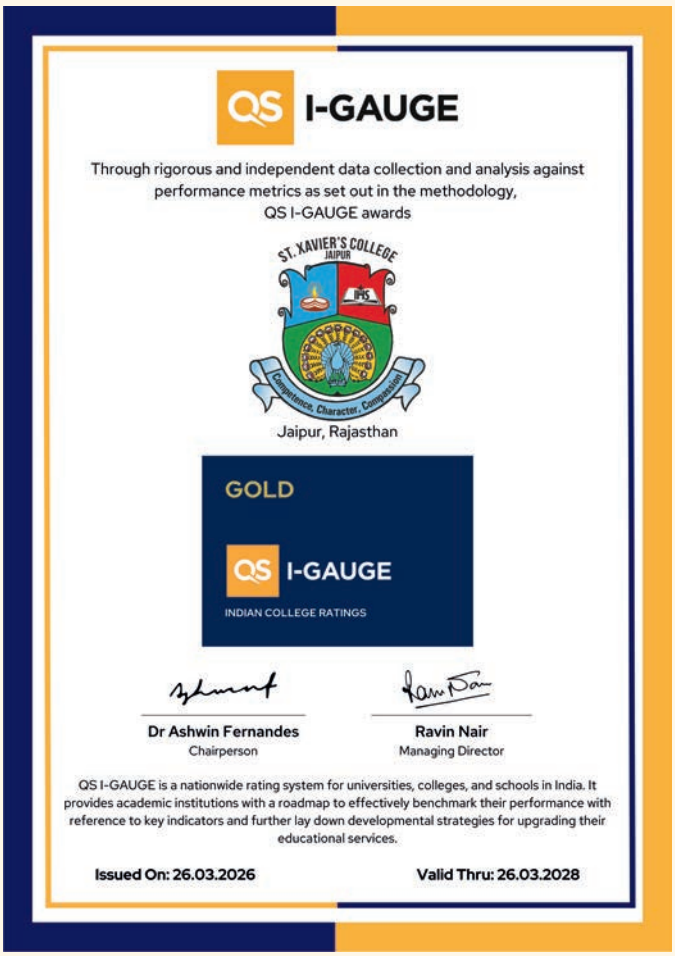

St. Xavier's College Jaipur achieved the prestigious **NAAC 'A' Grade** in its first cycle of accreditation on 16 January 2025. This milestone stands as a moment of national affirmation-recognising the institution's academic excellence, transparent governance, robust infrastructure, and deeply student-centric practices.

The accreditation journey was not merely procedural; it was transformative. The 'A' Grade has further positioned the college to envision academic autonomy, curriculum innovation, and greater interdisciplinary expansion in the years ahead.

QS I-GAUAGE Gold Rating

Over the past fifteen years, St. Xavier's College Jaipur has continually strengthened its commitment to academic excellence, innovation, and holistic education. A landmark moment in this journey was the conferment of the prestigious **QS I-GAUGE Gold Rating** in March 2026, recognising the institution's outstanding performance across key parameters of higher education. This achievement reflects the dedication, vision, and collaborative spirit of the entire Xavier's community - faculty, students, staff, alumni, and stakeholders -who have together upheld the values of quality, integrity, & excellence that define SXCJ.

First College in **Rajasthan** to Achieve
QS I-GAUGE Gold Rating in **Arts, Commerce,** and **Science**

Echoes of Excellence

It is a matter of great pride for us to share that our institution has been awarded the QS I-GAUGE Gold Rating, and to reflect on our experience with this prestigious evaluation process.

Participation in the QS I-GAUGE rating has been a highly enriching and insightful journey for our institution. The framework has significantly strengthened our internal quality assurance systems by promoting a structured and evidence-based approach towards academic and administrative excellence.

The QS I-GAUGE rating has also provided valuable benchmarks that support our strategic planning and long-term institutional development. It has helped position St. Xavier's College Jaipur more effectively in the higher education landscape, while reinforcing our commitment to sustained quality enhancement.

Chapter - IV

The Framework

National Cadet Corps (NCC)

Established in July 2023 with an authorised strength of 80 cadets, NCC functions under its motto "*Unity and Discipline*". This motto informs training ethos and overall vision of nation-building. The unit provides equal opportunities to male and female undergraduate students.

Within a short span, the unit has demonstrated steady progress through active cadet involvement and well-organised training practices. Cadets Gurdayal Singh and Mansi Chand Thakur brought recognition to the institution by representing the college at the Republic Day Camp, New Delhi, in 2026.

A noteworthy institutional achievement is the commissioning of Dr. Pradeep Singh Soni as Sub Lieutenanat by the Directorate General of National Cadet Corps.

Our cadets have been selected for the elite **Republic Day Camp (RDC)** in New Delhi, the **Thal Sainik Camp (TSC)**, **All India Nau Sainik Camp**, **Ek Bharat Shrestha Bharat**, **All India Girls Trekking Expedition**, and **All India Yachting Regatta.**

National Service Scheme (NSS)

A vibrant manifestation of the Jesuit ideal of selfless service, the National Service Scheme (NSS) at St. Xavier's College Jaipur empowers students to bridge the gap between academic education and societal reality. NSS passionately fosters a deep sense of social responsibility and democratic leadership, inspiring volunteers to work directly with marginalized communities and realize the true spirit of the NSS motto, "*Not Me But You*".

Over the years, the NSS units have worked for transformative impact at the grassroot level. Volunteers have spearheaded critical community outreach initiatives, including annual special winter camps across adopted villages like Nevta and Thikariya, widespread blood donation drives, and vital health awareness campaigns. Through active participation in state and national leadership camps, environmental sustainability drives, and village development projects, the NSS seamlessly moulds ethically grounded, compassionate citizen-leaders dedicated to meaningful nation-building. The NSS units received recognition under the *Mann Darpan* initiative of the Ministry of Health and Family Welfare for extensive mental health awareness outreach among adolescents and young adults.

A registered Knowledge Institution on the My Bharat Portal and NSS Rajasthan portals.

- Dr. Pradeep Soni received the NSS State Award for Best program Officer (2020-21).
- Received the State Award for Best Institution in NSS Functioning (2021-22).
- Kumari Saya represented the college at the Pre-Republic Day Camp (2021)
- Kumari Saya and Alvin Varghese invited as Special Guests of the Prime Minister of India during the 78th Independence Day Celebrations, 2024.

Institutional Social Responsibility and Extension Activities Cell/ Unnat Bharat Abhiyan (ISREAC/ UBA)

Rooted in the Jesuit commitment to social justice and nation-building, the Unnat Bharat Abhiyan (UBA) Cell of St. Xavier's College Jaipur bridges higher education with community development. Under the Ministry of Education's flagship initiative, the college has adopted five neighbouring villages Chatarpura (Lalya Ka Bas), Khatwara, Jaisinghpura, Narottampura, and Chak Harbanspura - transforming them into spaces for collaborative learning and sustainable growth.

Through regular field engagement, students work alongside local communities to address grassroot challenges while developing empathy, leadership, and social responsibility. The cell has undertaken impactful initiatives in education, healthcare, sustainability, and community development, contributing meaningfully to rural empowerment.

Education and Literacy: Digital literacy programs, library development, book donation drives, financial literacy workshops, employability surveys, spoken English courses, and computer education for children.

Healthcare and Hygiene: Health camps, vaccination drives, menstrual health awareness programmes, and hygiene initiatives.

Community Development: Women's empowerment programmes, self-defence training, awareness campaigns, Bal Mela activities, and community celebrations promoting inclusion and well-being.

Sustainability Environmental: Awareness campaigns, sanitation drives, renewable energy promotion, water conservation initiatives, and eco-friendly agricultural practices under the Lab to Land programme.

Farm to Table Initiative: A collaborative effort of the Sustainable Development Cell, Department of Science, and UBA, it connects local farmers directly with the campus community through the sale of vegetables. The initiative promotes fair pricing, healthy consumption, and supports multiple Sustainable Development Goals, including Zero Hunger, Good Health and Well-being, Responsible Consumption and Production, and Climate Action.

St. Xavier's Saksham Scholarship: A unique outreach initiative that supports deserving students from schools in the UBA-adopted villages. Through contributions from staff, alumni, and stakeholders, the scholarship provides educational assistance such as support in tuition fee, books, uniforms, stationery, and other academic essentials, advancing the college's mission of inclusive education and social upliftment.

COVID-19 Relief: Distribution of food supplies, face masks, and essential support to vulnerable communities during the pandemic.

Over the years UBA has focused on:

- Enhanced digital, financial, and educational literacy in adopted villages.
- Improved access to healthcare and hygiene awareness.
- Strengthened educational infrastructure through libraries and learning resources.
- Promoted women's empowerment, social inclusion, and community participation.
- Developed employability skills and leadership among rural youth.
- Fostered meaningful partnerships between the college and local communities.

Recognised through numerous appreciation letters from government and private institutions, the UBA Cell exemplifies St. Xavier's College Jaipur's commitment to service, sustainability, and transformative community engagement.

Research & Development Cell (RDC)

Research lies at the heart of intellectual growth and institutional excellence. At St. Xavier's College Jaipur, the Research and Development Cell (RDC) serves as a catalyst for cultivating a vibrant culture of inquiry, innovation, and knowledge creation.

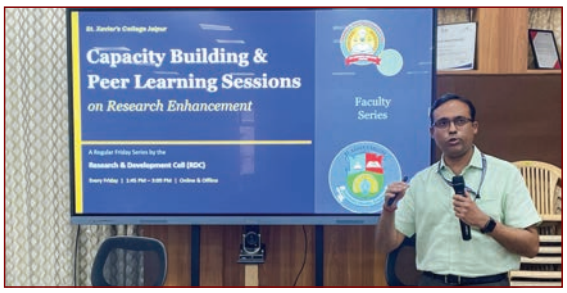

Over the years, the RDC has strengthened the college's research profile through faculty development initiatives, research methodology workshops, seminars, conferences, publication support, student research projects, and collaborations with academic and industry partners. The cell actively promotes quality research publications, ethical research practices, innovation, and scholarly dissemination through conferences, symposia, and academic forums.

Key Highlights:

- 15 Patents Filed and Granted
- 2 Research Centre Established
- 33 Academic Collaborations for Research & Innovation

Faculty Development, Training and Exchange Programme Cell

At St. Xavier's College Jaipur, academic excellence begins with empowered educators. Recognising that the quality of an institution is deeply connected to the growth of its faculty, the Faculty Development, Training and Exchange Programme Cell has consistently fostered a culture of lifelong learning, innovation, and scholarly engagement.

Over the past fifteen years, the college has actively encouraged participation in Faculty Development Programs, workshops, seminars, conferences, and exchange initiatives at national and international levels. Faculty members have benefited from training in emerging pedagogies, ICT-enabled teaching, Outcome-Based Education (OBE), research methodologies, academic leadership, and global educational practices.

The cell has facilitated training in emerging pedagogies, technology-enabled teaching, outcome-based education, NEP-2020, research methodologies, academic writing, intellectual property rights, and interdisciplinary scholarship. These initiatives have strengthened classroom engagement, enriched curriculum delivery, fostered research collaborations, and contributed significantly to the institution's academic and quality enhancement journey.

Through sustained institutional support and a culture of lifelong learning, the cell has contributed significantly to strengthening teaching effectiveness, research engagement, interdisciplinary collaboration, and curriculum enrichment. By investing in its educators, St. Xavier's College Jaipur continues to nurture a dynamic academic community equipped to meet the evolving challenges of higher education.

Since its formation, FDTEPC has:

- 77.5% Staff Participation in FDPs
- 84.5% Faculty Supported for Career Advancement
- 85%+ Faculty with PhD/NET/SET/SLET
- Continuous Training in Teaching, Research & Innovation
- Strong Culture of Lifelong Learning

Internal Quality Assurance Cell (IQAC)

The Internal Quality Assurance Cell (IQAC) began functioning in the year 2018 with clearly defined Standard Operating Procedures (SoPs) to institutionalise quality benchmarks across academic and administrative domains. From its inception, the IQAC focused on systematic planning, structured documentation, regular monitoring, and evidence-based evaluation mechanisms.

In 2019, a NAAC Steering Committee was formally constituted with a focused vision of preparing the institution for NAAC accreditation. This strategic body guided criterion-wise planning, facilitated policy formulation, ensured inter-departmental coordination, and supervised compliance with quality standards.

Since its formation, IQAC has:

- Coordinated criterion-wise committees for the preparation of NAAC accreditation.
- Conducted academic and administrative audits regularly
- Conducted mock peer team visits and related benchmarking exercises with reputed institutions to ensure quality

Sanskriti - The Indian Knowledge System Cell

The IKS Cell at St Xavier's College Jaipur seeks to bridge classical wisdom with modern disciplines, fostering holistic and value-based learning. The cell promotes interdisciplinary engagement through lectures, workshops and experiential learning initiatives.

Gender Studies and Women's Cell (GSWC)

Established in 2018-19 to nurture inclusivity by fostering gender equity and celebrating diversity, GSWC has played a significant role in nurturing a campus culture grounded in gender sensitivity, equity, dignity, & empowerment.

Mental Health and Counselling Cell (MHCC)

Established under the Department of Psychology, MHCC aims to support students' mental health, emotional well-being, and overall development through professional counselling services. The cell strives to create a safe, supportive, and inclusive environment that fosters students' personal growth, resilience, and academic success.

MOOC/ SWAYAM/ NPTEL: A New Education for a Changing World

St. Xavier's College Jaipur became a SWAYAM-NPTEL Local Chapter on 31 August 2020, an initiative of the Ministry of Education, Government of India, that promotes access, equity, and quality in higher education in line with the National Education Policy.

The college has earned recognition as an Active Local Chapter and received accolades at **IIT Bombay** and **IIT Kanpur** for its outstanding contribution.

Faculty members and **Students** have collectively **earned 421 Certifications** across semesters.

All India Catholic University Federation (AICUF)

AICUF nurtures socially conscious and responsible student leaders committed to justice, service, and nation-building. Through leadership programs, social outreach initiatives, and awareness activities, it inspires students to engage with societal realities and embody becoming *"men and women for others"*.

Red Ribbon Club

The Red Ribbon Club of St. Xavier's College Jaipur is a vibrant student-driven initiative working under the guidance of the **Rajasthan State AIDS Control Society** and **National AIDS Control Organisation (NACO)**.

National Green Corps (NGC) - Eco Friendly Club

The National Green Corps (NGC) - Eco-Friendly Club at St. Xavier's College Jaipur has emerged as a significant institutional initiative promoting environmental awareness and sustainable practices since its inception in 2020.

Centre for Employability (XVI)

XVI at St. Xavier's College Jaipur, is a value-oriented social outreach initiative dedicated to enhancing livelihood opportunities for underprivileged and unemployed youth. The centre enables skill acquisition across diverse trades, with a strong emphasis on inclusivity and affordability.

Rovers and Rangers

The Rovers and Rangers Unit at St Xavier's College Jaipur functions under the aegis of the **Bharat Scouts and Guides** and serves as a vibrant platform for developing disciplined, socially responsible and service-oriented youth.

Sustainable Development Committee (SDC)

Since 2017, the institution has transformed its campus into a living laboratory of sustainability, most notably converting a barren 25-acre landscape into a thriving "*Green Desert*" with over 4,000 plants and rich biodiversity. The college has implemented robust systems for resource conservation and environmental management.

Swachhata Action Plan (SAP)

Formally established in 2021, SAP reflects a sustained institutional commitment to environmental responsibility that traces its momentum back to 2018. Inspired by the national mission of Swachh Bharat Abhiyan, the committee has, five functional units: Sanitation & Hygiene, Greenery, Energy Management, Water Management, and Waste Management.

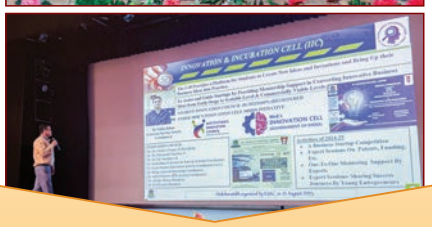

SAP
SWACHHATA ACTION PLAN
ST. XAVIER'S COLLEGE JAIPUR

INSTITUTION'S INNOVATION COUNCIL
(Ministry of Education Initiative)

The Institution Innovation Council (IIC)

IIC, approved by the Innovation Cell, Ministry of Education, Government of India in 2021, organizes various activities like Business Model Canvas Workshops, Boot Camps, Business Plan Competitions, and visits to Techno Hubs.

St. Xavier's College Jaipur

Intellectual Property Rights Cell

Intellectual Property Rights (IPR)

IPR Cell organises awareness drives, workshops, and expert sessions. The college received certificates of appreciation for participating in NIPAM launched by the Government of India. 15 patents have been awarded to the staff members in the form of Indian Patent, Australian Innovation, and UK Patent, either published or granted.

Xavier Centre for Career Advancement (XCCA)

XCCA reflects St. Xavier's College Jaipur's commitment to empowering students beyond the classroom and preparing them for meaningful careers and public service. Established as a dedicated mentoring initiative, it provides structured guidance and professional support for aspirants of Civil Services, Banking, SSC, CDS, CAPF, NET-JRF, and other competitive examinations.

XCCA
XAVIER CENTRE FOR CAREER ADVANCEMENT

SC Students' Council

Students' Council

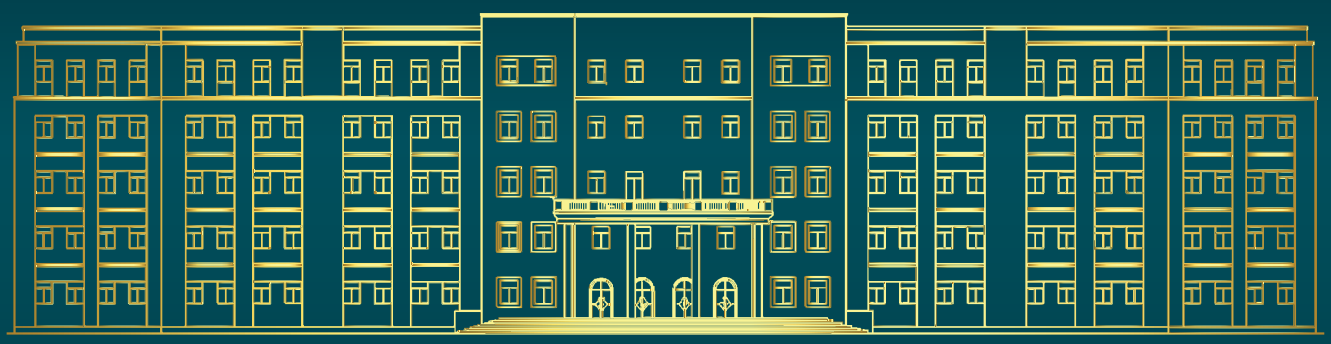

The Students' Council serves as the voice of the student community and an important bridge between students, faculty, and the college administration. It coordinates and supports a wide range of cultural, social, and co-curricular activities, contributing significantly to the vibrant campus culture.

ESTD.2010

15 Years : Rooted & Rising

Learning Beyond Classrooms
Talent Meets Determination
Benchmarks of Excellence
Spirit of Service
Windows to the World
Distinctive Identity
Journey Turns to GOLD

The Beginning

Established in 2010 under the Jaipur Xavier Educational Association (JXEA), St. Xavier's College Jaipur began its journey at Hathroi Fort Road with a vision rooted in Jesuit ideals of excellence, integrity, inclusivity, and service. What started with a few undergraduate programmes and around 350 students gradually evolved into a vibrant centre of higher education committed to nurturing competence, character, and compassion through holistic and value-based learning.

Setting Standards

St. Xavier's College Jaipur has consistently upheld a strong academic record with university pass percentages regularly ranging between 95% and 100%. Xavierites have earned University Gold Medals, merit ranks, research recognitions, and admissions to premier institutions including IIMs, Delhi School of Economics, Cardiff University, Oklahoma State University, IIT-Roorkee, MNIT, TISS, TERI, and Azim Premji University.

Foundational Pillars

Recognition under Section 2(f) and 12(B) of UGC Act, 1956 and Section 2(g) of NCMEI Act, 2004 strengthened the institution's Jesuit educational identity. This recognition marked a major academic milestone, enabling wider institutional growth, research opportunities, and quality enhancement. The creation of the Internal Quality Assurance Cell in 2018 further strengthened institutional planning, documentation, innovation, and quality culture.

Rhythm of the Xaverian Youth

From a college fest to one of the region's most recognised student-led cultural festivals, ZEST emerged as a defining symbol of Xaverian youth culture. Since its launch in 2013, the fest has hosted celebrated artists including Zaeden, Jassie Gill, Babbal Rai, Arjun Kanungo, Parmish Verma, Taaruk Raina, and Chaar Diwari, attracting thousands of participants annually. Complementing ZEST are vibrant departmental fests such as Synergy (Economics), INKA (English), Technoid (Computer Science), Envision X Vendesto (Commerce & Business), Exordium and Lucis (Arts), INPSYCH (Psychology), and XSI-Tech (Science), alongside initiatives like INYOUTH and the Commerce & Banking Conclave, which together promote creativity, innovation, leadership, and experiential learning beyond the classroom.

Towards a New Horizon

The move to the 25-acre Nevta-Mahapura campus in 2021 marked a transformative phase in the institution's journey. With modern infrastructure, ICT-enabled learning spaces, sustainability initiatives, research facilities, hostel accommodation, and expanded outreach opportunities, the new campus reflected the college's growing vision for academic excellence, inclusivity, and future-ready education.

New Academic Frontiers

The establishment of the Xavier Institute of Management and Informatics (XIMI) in 2022 extended the Jesuit educational mission into AICTE-approved MBA and MCA programmes. Combining ethical leadership with industry-oriented learning, XIMI has emerged as a dynamic centre for management and technical education. From a handful of undergraduate programmes, the institution has evolved into a diverse academic ecosystem comprising of UG, PG, Certificate, and PhD programs.

An Oasis in the Desert

One of the institution's most distinctive achievements has been the transformation of barren land into a thriving green ecosystem known as the "*Green Desert*". With thousands of plants, biodiversity initiatives, rainwater harvesting, solar energy systems, organic farming, myco-farm, and sustainable campus practices, the initiative reflects the college's deep commitment to environmental stewardship.

Ideas, Inquiry, and Innovation

Research and innovation gradually became integral to the institution's academic identity through conferences, faculty research, student projects, seed funding, and departmental publications. The Research and Publication Cell has published the multidisciplinary journal Impetus since 2010 and the student research series InQuest since 2019, strengthening the culture of inquiry and knowledge creation.

Regular FDPs, funded projects, and promotion of research with the launch of the multidisciplinary journal अनुसंधानक (Anusandhak) and the establishment of the Innovation & Incubation Cell (IIC) and Innovation Council (IC202216607) has further strengthened the culture of research and innovation.

Learning Beyond Classrooms

Over the years, the institution has introduced workshops, certification programmes, internships, and industry collaborations aimed at strengthening employability and practical learning. Initiatives in Journalism, AI Tools, Ethical Hacking, Robotics, Cloud Computing, Entrepreneurship, and Communication Skills have helped bridge classroom learning with professional readiness.

Talent Meets Determination

Xavierites have distinguished themselves in sports, leadership forums, and national representation. From participation in international sporting events to being invited to the President's Polo Cup to representing the Republic Day Youth Parliament and national youth forums, students have consistently brought recognition to the institution.

Benchmarks of Excellence

The institution's commitment to quality and sustainability has been recognised through achievements, namely ISO 14001:2015 Certification, NSS State Award, UNCCD, UNESCO Green Recognition, NIRF participation, and the development of a *divyangjan*-friendly and technology-enabled campus.

Spirit of Service

Rooted in Jesuit values of social responsibility, the SEED initiative strengthened rural-urban engagement through literacy drives, health camps, women empowerment programs, vocational training, sustainability campaigns, and village outreach activities. These initiatives transformed students into socially conscious and compassionate citizens. Village adoption programmes are organised through UBA initiatives, to enhance counselling for village school students, farm-to-table activities, etc., and NSS initiatives like *Mann Darpan*, to enhance community engagement and strengthen the institution's social mission.

Quality Recognised

The award of an 'A' Grade by NAAC marked a significant milestone in the institution's pursuit of excellence. The accreditation affirmed the college's commitment to quality education, innovative teaching-learning practices, robust governance, student support, research, infrastructure, and community engagement. More than a recognition, the NAAC Grade A reflects the collective dedication of the entire Xaverian family and serves as a benchmark for continuous growth and academic distinction.

Fostering Academic Dialogue

Research has emerged as a defining strength of the institution, reflected in the successful organization of multiple ICSSR-sponsored national and international conferences since 2019. Bringing together distinguished scholars, researchers, policymakers, and students from across disciplines, these conferences have fostered meaningful dialogue, interdisciplinary inquiry, and knowledge creation. By providing platforms for critical engagement with contemporary issues, the institution has strengthened its reputation as a vibrant centre for research and academic exchange.

Journey Turns to GOLD

The institution's commitment to excellence received further affirmation through the prestigious QS I-GAUGE Gold Rating. Recognising performance across key parameters including teaching and learning, employability, governance, social responsibility, infrastructure, and stakeholder engagement, the rating reflects the college's holistic approach to higher education. This achievement not only celebrates fifteen years of dedicated effort but also reinforces the institution's vision of nurturing globally competent and socially responsible graduates.

Echoes from the Hallways

Devendra Singh

Department of Business Administration

Batch 2014-17

I am proud to be an alumnus of this college, which has played a significant role in shaping both my academic and personal growth. The learning environment, supportive faculty, and practical exposure helped me develop critical thinking, discipline, and confidence. During my time here, I not only gained subject knowledge but also learned essential life skills such as teamwork, leadership, and effective communication. The values and guidance I received continue to inspire me in my professional journey. I will always be grateful to the institution for providing a strong foundation for my future.

Vidhi Singhvi

Department of Business Administration

BBA Gold Medallist (2022-25)

The BBA program at St. Xavier's College has been a transformative journey that has helped me grow academically, professionally, and personally. The interactive classes, thought-provoking discussions, and even the light-hearted banter with peers and faculty make learning both insightful and enjoyable. It is truly an experience that goes beyond textbooks and classrooms, leaving a lasting impact on both professional aspirations and personal growth.

Maitri Aswal

Department of Arts

Batch 2018-21

The Bachelor of Arts program from St. Xavier's College Jaipur, is a holistic program where the curriculum emphasises not just the academics but also the overall development of the student through various clubs and activities.

Abel John

Department of Arts

Batch 2021-24

The Department of Arts, St. Xavier's College Jaipur is a place for you to explore and know more about yourself. Your interests are challenged, goals refined, and it will set a solid foundation for your future. Here you have the space to explore beyond the premise of your subjects.

Neha Pascal

Department of Political Science

Batch 2019-22

My years at St. Xavier's College Jaipur (2019-2022), were a defining chapter of my life. Within the Department of Political Science, I found an environment where professors truly challenged me to realize my potential through a mix of rigorous academics, seminars and symposiums. My journey was further enriched by leadership roles, serving as the Joint Secretary of the Student Council and the Head of the Art Club, where I enjoyed organizing online painting workshops, paper bags making many more. I helped organize the departmental fest, Exordium, and took on the responsibility for Admin and Decoration during our annual festival, Zest. Engaging in social service through AICUF and the Swachh Bharat Abhiyan added a meaningful sense of community to my education. I am incredibly grateful to my mentors for these three unforgettable years that shaped both my personality and my future.

Keerthi Shawal

Department of Political Science

Batch 2020-23

Studying at St. Xavier's College Jaipur was a privilege as well as a great experience. The department of political science provides with a wide range of opportunities for the students. As part of the department, I got the opportunity to develop my skills and integrate them into my personality. Working in the annual college fest, 'ZEST', conferences, seminars, guest lectures and workshops organised by the department along with working for the department magazine, 'Janmat' helped me develop leadership and time management skills. At the end, it was the best 3 years of my life at St. Xavier's College Jaipur. All thanks to the professors and the department for making it a memorable experience.

Arnav Khandelwal

Department of Commerce

Batch 2022-25

My experience at St. Xavier's College Jaipur has been truly enriching and memorable. The campus offers a vibrant and welcoming environment that encourages both academic excellence and personal growth. The faculty members are knowledgeable and supportive, always motivating students to think critically and explore beyond textbooks. During my time here, I have gained not only subject knowledge but also valuable life skills such as communication, teamwork, and confidence. The diverse extracurricular activities provided me with opportunities to learn from different perspectives and build meaningful connections. I am especially grateful for the guidance and encouragement I received from the college, which motivated me to pursue the CMA US course.

Shiva Rathore

Department of Commerce

Batch 2020-23

St. Xavier's College Jaipur offers a dynamic college life enriched with opportunities. Students gain exposure through organizing educational events and vibrant cultural fests, while a strong research base encourages paper publishing. With dedicated mentorship and the transformative UBA experience, the college nurtures acad emic excellence, leadership, and holistic growth, making every moment both impactful and memorable.

Vrinda Chaturvedi

Department of Psychology

Batch 2022-25

My experience at St. Xavier's College Jaipur has been truly unforgettable. As a BA Psychology (Hons.) student, I was guided by exceptionally supportive and approachable teachers who continue to inspire me even today. The campus offered a positive and lively environment that encouraged both learning and personal growth. Being a part of the college council and organizing the annual fest was a proud and rewarding experience. The college not only shaped my academic journey but also helped me build confidence, leadership skills, and lifelong friendships in a warm, supportive community.

Vasundhara Purawat

Department of Psychology

Batch 2020-23

My journey at St. Xavier's College Jaipur has been truly transformative and deeply enriching. As a member of the 2023 graduating batch, I take immense pride in having been part of the very first cohort of the Psychology department. This unique opportunity allowed me to contribute meaningfully as a founding member of both the Mental Health and Counselling Cell and InQUIZitive, a national-level psychology quiz initiative.

Anmol Rathore

Department of Economics

Batch 2013-16

St. Xavier's College Jaipur has shaped me in tremendous ways. I was working as a consultant to the Ministry of Finance, Government of India until a few months ago, and it was because of this college which not just imparted me with the knowledge of economics but also instilled in me a great sense of public and national service. Along with this, I have found the best mentors, lasting friendships, life skills and so much more from this place.

Vedika Bihani

Department of Economics

Batch 2016-19

I always found deep interest in understanding the world around and work towards addressing societal issues. In my college years at St. Xavier's College Jaipur, I discovered a passion for humanities-related subjects. Inspired by a desire for a career that was both unconventional and purposeful, and encouraged by my professors in the college, I took a leap of faith and began preparing for civil services. My dedication paid off when I was selected as an IPS officer in 2023.

Rituman Sharma

Department of Science

Batch 2021-25

My experience as a Xavierite is marked by the ability to lead resiliently, a quality that my institution has cultivated in me. As a science graduate, I had a comprehensive learning experience integrated with research opportunities under appropriate guidance. As the President of the Students' Council, being at the helm organizing our college fest has been one of the most memorable and redefining moments of my college life. I see my college as one of those institutions that continue to strive for excellence while constantly equipping the student to dream, achieve, and make meaningful contributions. Always a happy and a proud Xavierite.

Pallavi Yadav

Department of Science

Batch 2016-19

My time at the college has been intellectually rewarding, along with being the most enriching and transformative phases of my life. The supportive faculty, numerous opportunities for personal and professional growth have truly shaped who I am today. Beyond academics, the college offers a wide range of extracurricular activities that help in developing leadership, confidence and teamwork. I am proud to be a Xavierite and grateful for the knowledge, skills and values this institution has instilled in me.

Harshita Agarwal

Department of English

Batch 2020-22

St. Xavier's College Jaipur has been a constant source of encouragement and inspiration. The warmth of the department faculty and opportunities to organise and participate in departmental and college fests contributed immensely to my confidence, creativity, and overall development.

Cyrus Edwin Derek

Department of English

Batch 2015-20

As I reminisce about my time here, I realize how much the institution has contributed to my academic and personal life. It was here that my curiosity for literature was nurtured and transformed into a lifelong passion for learning, so much so that it led me to establish a career in academia. What made my journey truly special was the supportive and intellectually stimulating environment created by the Department of English and its faculty. I remain deeply grateful to the college for enriching experiences and life- lessons that continue to influence both my personal and professional life.

Kunal Mathur

Department of Computer Science

Batch 2015-18

Honestly, my time at St. Xavier's College Jaipur was really enjoyable. It wasn't just about lectures and assignments - I ended up learning a lot through everyday experiences, interactions, and everything happening around campus. The faculty was supportive and easy to talk to, which made things feel less formal and more comfortable. What I liked the most was the overall vibe - there was always something going on, whether it was events, fests, or just spending time with friends around campus. It never really felt dull. Overall, it was a great phase - I grew a lot, learned so much, and made some amazing memories along the way.

Mahee Sarawgi

Department of Computer Science

Batch 2020-23

My time at Xavier's has been a truly transformative and enriching experience. The department has provided me with a strong foundation in both theoretical knowledge and practical skills, equipping me to confidently face future challenges. The faculty members are exceptionally knowledgeable, approachable, and always willing to guide and mentor students. Their constant support has played a vital role in my academic and personal growth. The curriculum is thoughtfully designed, comprehensive, and aligned with industry needs, preparing students for diverse career opportunities.

Mohit Yadav

NSS Volunteer

Batch 2020-23

My NSS journey has been truly transformative. I developed leadership and management skills, worked with various NGOs and organizations, and proudly represented Rajasthan three times at National Integration Camps, achieving national-level recognition. I built strong networks with young social activists. I'm grateful to St. Xavier's College Jaipur for all the opportunities I got. Service runs in my blood.

Bhavesh Verma

NSS Volunteer

Batch 2023-26

My journey as an NSS volunteer has been a truly enriching experience. It has strengthened my sense of responsibility, leadership, and commitment to society. Through various activities and opportunities of community service, I discovered my potential and gained confidence. I am deeply grateful to my college and the entire NSS fraternity for their constant guidance, support, and encouragement.

Purvi Singhal

NSS Volunteer

Batch 2024-27

I, Purva Singhal, a second-year NSS volunteer, found my journey in NSS truly transformative. With the constant support and guidance, at St. Xavier's College Jaipur, I grew from a hesitant individual into a confident contributor. Through various social activities, awareness campaigns, seminars, and sessions, NSS has helped me develop valuable technical and organizational skills such as teamwork, leadership, event coordination, and public interaction, while strengthening my sense of social responsibility and contributing to my personal growth.

Anish Khatri

NSS Volunteer

Batch 2024-27

Being a part of NSS has brought a meaningful transformation in my life, particularly in building my confidence. When I joined in my first year, I was hesitant to participate in competitions and events, but NSS helped me overcome my fears and step out of my comfort zone. It also enhanced my communication skills, as I learned to interact confidently with both seniors and juniors. Through active involvement in various activities, I gained practical exposure to event management and teamwork. NSS has truly contributed to my overall personal growth and development, making me more confident, responsible, and socially aware.

Kumkum Shekhawat

NSS Volunteer

Batch 2025-28

I'm Kumkum Shekhawat, BA English, Sem II. Being a part of the NSS unit in my college for the last 7-8 months has been a wonderful experience. It has helped me learn many practical skills through different events and activities. I also made great friends here. As an extrovert, it gave me a platform to connect, grow, and learn with supportive and friendly volunteers.

Anchitshivam Sharma

NCC Cadets

Batch 2016-19

My tryst with the college started when this institution was in its nascent stage. The infrastructure was not the one that exists today, but the absence of material resources never meant a dearth of opportunities for aspiring students like me. We were able to undertake mammoth tasks like Zest and the sports meet UDAAN, and yet taking up activities undertaken by the NSS made us come to terms with the nitty-gritties of existence. In academics our mentors went the extra mile to ensure that we exceled. From engaging lectures and add-on notes to last minute exam-prep and much needed motivation, we were blessed to have teachers who treated us as a responsibility close to their hearts.

Bhavika Choudhary

NCC Cadets

Batch 2023-26

For the past three years, I, PO Cadet Bhavika Choudhary, was enrolled in the National Cadet Corps (NCC), and this experience has been genuinely life changing. I now have a strong sense of responsibility, time management skills, and discipline thanks to the opportunities I got at St. Xavier's College Jaipur like the All India Nau Sainik Camp 2025 at INS Sivaji, Lonavala, which was a highlight of my NCC experience. There, I earned the All India Third Rank in Shooting, which is still one of my proudest accomplishments. Additionally, I went to EBSB Camp 2025 in Haldighati, which was a cultural camp aiming at instilling national integration. To sum up, my time in the NCC at St. Xaviers's College Jaipur, has been a life-changing experience that has given me leadership, self-assurance, and discipline.

LC Vikram

NCC Cadets

Batch 2023-26

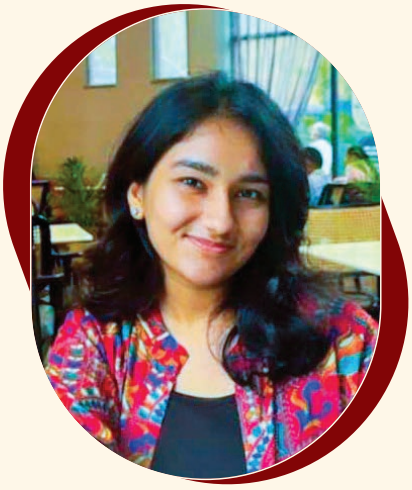

For me, being a member of NCC at St Xavier's College Jaipur for the last three years has been truly a vital experience. Regular training and activities have helped me, develop self-control, self-assurance, and a strong sense of responsibility. Attending the All India Nau Sainik Camp 2025 at INS Shivaji, Lonavala, was a major highlight of my journey. It increased my exposure and strengthened my teamwork and adaptability in a competitive environment.

I've been challenged by NCC to push myself beyond my comfort zone, which has helped me remain calm under duress and take charge when necessary. My overall development has been greatly aided by the supportive campus environment and the advice of my officers. All things considered, my NCC experience has moulded my character and equipped me to meet obstacles head-on with courage and tenacity. I am grateful to my college.

Vanshika Sharma

ISREAC / UBA Volunteer

Batch 2022-25

Being a part of the Unnat Bharat Abhiyan Cell at St. Xavier's College Jaipur was a truly enriching experience. Through activities like teaching village school children and organizing a Christmas Bal Mela, I got the opportunity to connect closely with society. These experiences helped me develop empathy, teamwork, and leadership skills. As someone aspiring to become a civil servant, this exposure to grassroots community work has been very valuable for my future career. I am grateful to the cell for shaping my personality and strengthening my sense of social responsibility.

Suzana

ISREAC / UBA Volunteer

Batch 2022-25

As an alumna of St. Xavier's College Jaipur, I feel honoured to have been associated with the Institutional Social Responsibility & Extension Activities Cell (ISREAC) and the Unnat Bharat Abhiyan Cell (UBA). My journey as a coordinator in these initiatives was deeply fulfilling and impactful as I coordinated key activities such as a Bal Mela on campus, a Free Health Checkup Camp, and a Self-Empowerment Training Program for village women. These experiences not only enhanced my leadership and organizational abilities but also instilled in me a strong sense of social responsibility. I am truly grateful to the institution for nurturing a spirit of service and empowering students to contribute meaningfully to society. The values and experiences I gained continue to guide me in my personal and professional life.

Nayna Bhati

ISREAC / UBA Volunteer

Batch 2022-25

Through my experience with the Unnat Bharat Abhiyan Cell, I had the opportunity to engage directly with grassroots, field-level challenges. From teaching students about their fundamental rights to organizing self-defence workshops and awareness drives, I witnessed how even small, consistent efforts can create meaningful change in people's lives. This exposure made me more resilient, self-aware, and socially conscious. It helped me better understand not just the issues present in society, but also the practical pathways to address them. Being part of such initiatives strengthened my ability to think critically and act with purpose. Moreover, it instilled in me a sense of responsibility and sensitivity, shaping both my personality and my career outlook. It gave me the confidence and clarity to pursue my ambitions while staying grounded in the realities of society.

Epilogue

The Chapter Yet to be Written...

Aiming for the Stars: The Legacy Lives On

A Vision for Xavier University Jaipur

Xavier University Jaipur envisions its future as a multidisciplinary, research-oriented university rooted in the rich Jesuit tradition of education and responsive to the evolving demands of higher education in Rajasthan and in India. Building on more than a decade of academic excellence at St. Xavier's College Jaipur, the proposed university seeks to integrate academic verasity and vitality, social commitment, and global engagement within a holistic institutional framework.

Towards a Multidisciplinary University

Established in 2010, St. Xavier's College Jaipur was founded with a long-term vision of evolving into a university that responds to the aspirations of its stakeholders and the changing needs of higher education. Aligned with the National Education Policy (NEP) 2020, the Jesuits of Delhi Province envision the establishment of Xavier University Jaipur as a multidisciplinary institution offering programmes across the arts, social sciences, sciences, management, technology, and professional disciplines.

Focus on Research, Innovation, and Global Excellence

The University plans to strengthen its research centres, expand doctoral programmes, and promote a vibrant research culture through faculty development, funded projects, publications, and the Innovation and Incubation Centre. International collaborations, academic exchanges, and joint research initiatives will further enhance its global outlook while remaining rooted in Jesuit values.

Planned Expansion and Institutional Growth

The expansion roadmap of Xavier University Jaipur is both phased and strategic. Operating from a 25-acre campus in Nevta, the University plans to gradually establish new schools and disciplines over the next decade in Phases I and II, including Liberal Arts, Communication, Engineering and Technology, Education, Biosciences, Design, Law, Agriculture, and Architecture. This calibrated growth will be supported by sustained investments in infrastructure, human resources, digital systems, and student support services.
